Shopfitting | Project Management | Bespoke Joinery & Metalwork

## pride in the detail

Established in 2003, Pride Shopfitting provides a comprehensive service in the shopfitting, fit-out and internal refurbishment market throughout the UK and Ireland.

Our team of professionals bring a wealth of knowledge and experience in managing and implementing contracts of all sizes across a diverse range of sectors.

We have an established network of suppliers to complement our own service portfolio, including Europe's leading store shelving systems, and specialist bespoke timber and metal manufacturers, thus offering our clients a turnkey solution with complete peace of mind.

All our work is completed to market leading quality standards by our dedicated and highly skilled team, allowing us to deliver superior quality solutions that exceed our client's expectations.

## Working with Pride

Pride specialise in projects working with clients from initial brief to managed installation and, where required, through to successful roll-out.

We adopt a strategic approach to every project we undertake, viewing Pride Shopfitting as an extension of your business.

Based on a firm understanding of your needs as well as your budget and goals, our design team will work with you to develop design proposals in sketch and CAD formats, which not only extend and enhance upon your corporate identity, but also reflect your values and marketing positioning.

Upon agreeing our shared vision for the project, our project management specialists will prepare and implement a detailed schedule of works to meet your crucial deadlines.

Using a competitive combination of traditional skilled craftsmen and the latest technology, we can produce all aspects of your project, including display units and signage, to the very highest standards.

## Our Pride

The Pride contract portfolio boasts numerous high street retailers including fashion, department store, pharmacy, convenience store and garden centre markets, as well as contracts for the Commercial, Heritage and Leisure markets across the UK and Ireland.

Each of our projects has benefited from our hands-on customer focused approach which enables a cohesive working partnership between Pride and our clients.

The end result is a high specification project finished to unrivalled quality standards, on time and within agreed budgets.
